Company President Nominated for 2006 Cabarrus County Leadership Salute

Congratulations to our company president, Alex Rankin for his 2006 Leadership Salute nomination. Cabarrus County was the chosen location for this year's Regional spotlight campaign which began in 2004, highlighting various counties and leaders within that community. Alex was nominated based on the difference he makes in his community, his involvement in civic organizations, and the time and energy he gives to promote and help the growth of Cabarrus County. Alex will be featured in a ten second commercial which will air on WSOCTV and broadcasted throughout the summer months. He has chosen CESI's headquarters as his filming location which will be taped on April 26th. Alex was nominated along with four other well known Cabarrus leaders including Mayor Scott Padgett, John Robbins, Dari Caldwell, and Cabarrus Chamber President, John Cox.
