

CESI NEWS

October 24, 2006 – CESI Launches New Website, 10/24/2006

CESI launched its new website www.cesiworld.com after several weeks of hard work by Miller Davis Studios, Inc. in conjunction with our IT department. We are very proud of our new site which not only provides a very detailed overview of CESI's services, history, staff, and past projects but also offers our clients a municipality calendar which conveniently provides deadlines and meeting schedules of local municipalities.

In addition, CESI has a FTP login accessible for clients to utilize when downloading larger files not transferable via email. Also available on our site are current job openings, an extensive links page, and two CESI commercials which aired on WSOC.

Please take a moment to browse through our site and feel free to contact me with any questions at megwilliams@cesiworld.com
